DESCRIPTION

Unisex 6-panel cap crafted from twill organic cotton: the construction includes a reinforced front panel and a pre-shaped visor with topstitching for a clean profile. Interior bias finishing and an adjustable rear strap in the main fabric with a recycled metal buckle provide fit and comfort. Follow gentle wash care for delicate shades as recommended by the supplier.

The cap is available in several colours, for example Black, Burnt Brick or Ivory, and comes in one size with rear adjustment. Quality stitching and a structured visor make it suitable for regular wear at events, outdoor activities or as branded merchandise.

This personalised cap can be customised from one piece using embroidery, DTF printing, flex (flock), screen printing transfer or MSO transfer — ideal for companies, sports clubs, associations, events and private customers. Our artwork studio can vectorise or retouch your logo before production.
