DESCRIPTION

Personalised wheeled bag made from canvas organic cotton, one size (30 x 60 x 30 cm) with a 54 L capacity. Its rectangular shape and reinforced base provide good structure for carrying equipment or light luggage; the lining of pre-consumer recycled cotton and post-consumer recycled polyester adds durability and ease of care. The product is garment-washed after assembly, so colour shades can vary slightly between pieces and the fabric may bleed if it contacts light surfaces.

The bag features tone-on-tone webbing and trim, a detachable adjustable shoulder strap and a fabric handle with press-stud. There is an internal zip pocket in recycled nylon for documents or small items, and an interior zip that facilitates discreet branding or secure storage. The interior zip is convenient when applying transfers or keeping small items separate.

This personalised wheeled bag can be customised from 1 piece on a wide range of textile using screen print transfer, MSO transfer, DTF printing and flex. Suitable for companies, sports clubs, associations, events and private customers seeking an eco-responsible, fully customisable travel bag. Exists in several colour options including Washed Navy Blue and Washed Organic Khaki.
