DESCRIPTION

This one-size sports duffel (25 x 50 x 25 cm, 25 L capacity) is designed for everyday use and short trips. The cylindrical shape with reinforced handles provides comfortable carrying; the brushed three-thread fleece is pre-shrunk for stable fit and a soft handle. Produced in eco-conscious materials (organic cotton and recycled polyester) and enzyme-washed for a pleasant touch. Please note the Ivory shade is delicate—follow a 30°C gentle wash.

The bag opens with a double zip made from recycled metal and features a lined interior with a zipped pocket. A recycled nylon zip is integrated to facilitate personalised marking. Robust stitching and reinforced handles make it suitable for regular use, while the volume remains practical for gym gear or weekend essentials.

This personalised sports bag is ideal for companies, sports clubs, associations, schools and private orders. Available marking techniques: screen printed transfer, MSO transfer, DTF printing, flex. Our studio can vectorise or refine your logo. Orderable from one piece.
