DESCRIPTION

Unisex eco-friendly backpack designed for everyday use and outings: one size with a 26 L capacity, made from coated recycled polyester for durable performance. The silhouette features a top flap secured with fastening buckles and a drawcord with stopper, a zippered top opening, several internal zip compartments and a front zip pocket for easy access. The back panel and shoulder straps are mesh-lined for breathability, and the base is reinforced.

The pack is multi-pocketed with two side pockets finished with bias trim and adjustable straps, compression straps and contrasting buckles on some colourways to improve functionality. The technical-feel fabric and reinforced stitching are suited for regular use and provide good structural integrity.

Order this personalised backpack for companies, sports clubs, associations, schools or private customers: customisation possible from one piece. Available techniques: screen printing transfer, MSO transfer, DTF printing and flex (heat transfer). Our design studio can retouch or vectorise your logo; free quote within 24 hours on weekdays, standard production and collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
