DESCRIPTION

Eco-friendly crescent shoulder bag made from recycled polyester, designed for everyday use. The crescent cut provides generous 15 L capacity while remaining compact to carry. The coated fabric and nylon zip with metal pull give a neat finish and added moisture resistance. Available in several colours and one size, it is suitable for urban commuting, short trips and association activities.

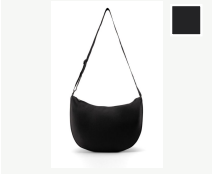

The bag features a main zip opening, an adjustable black shoulder strap to set the carry length and an inner zipped pocket plus a divided patch pocket with two compartments for organising small items. The rounded shape and consistent stitching make access and day-to-day use straightforward.

This personalised Shopping (totebag) can be customised from one piece on a wide range of textile using Screen printing transfers, MSO transfer, DTF printing and Flex. Ideal for companies, sports clubs, associations, events and private customers; our graphic studio can retouch or vectorise your logo prior to printing.
