This unisex one-size tote bag is made from 100% organic cotton canvas and holds around 22L, designed for everyday carrying. Its flat rectangular shape with wide handles (4 cm wide, 22 cm handle drop) makes shoulder carry comfortable and practical for shopping, documents or daily essentials. The organic cotton offers good structure while remaining easy to care for.

Construction is straightforward and durable: reinforced stitching at stress points and a spacious interior without closures or external pockets, maximising usable space. Available in several colours such as Black, Cloud White and Navy Blue, it suits promotional use as well as individuals seeking a sustainable carry solution.

This personalised tote bag can be customised from one piece with support from our artwork studio and the following techniques: screen printing transfer, MSO transfer, DTF printing and flex.
