DESCRIPTION

100% linen shopping (totebag) designed for everyday use: rounded shape with wide shoulder straps (5.5 cm wide, 23 cm strap drop) and a side panel that gives the bag structure. Capacity around 31 L; the washed finish makes the fabric lightweight and breathable. The item is washed after construction, so individual colour variations may occur. One size, suitable for carrying groceries, folders or personal items.

Visible details include exposed seams and a relaxed silhouette with an open top for easy access; there is no fastening. The wide handles distribute weight comfortably on the shoulder. Available in several colours, for example Black, Ivory and Petal Rose.

Customisation available from one piece: personalised shopping (totebag) using screen print transfer, MSO transfer, DTF printing or flex. Recommended for businesses, sports clubs, associations, events and private customers; our graphic studio can retouch or vectorise your logo before production.
