DESCRIPTION

Unisex shopping (totebag) made from natural jute, practical for everyday carrying. Constructed from 100% jute with a side panel and wide handles (handle height 23 cm, width 5.5 cm), the bag offers a generous capacity of about 31 L and a structured feel thanks to the sturdy plant fibre. Jute is biodegradable and recyclable, making it a functional, eco-conscious option for shopping, events or corporate gifts.

The rounded shape and visible stitching in the photo indicate a stable tote for regular use. Wide straps distribute weight comfortably, allowing hand or shoulder wear. Care is straightforward: shake out, brush or spot-clean as needed; avoid harsh machine washing to preserve the material.

This personalised shopping (totebag) can be printed using screen print transfer, MSO transfer, DTF printing or flex. Customisable from one piece, it suits companies, clubs, associations, events and private customers. Our studio can retouch or vectorise your logo; free quote within 24 hours on weekdays and collection from our Evere workshop or delivery in Belgium, France and Luxembourg.
