DESCRIPTION

This corduroy tote bag is made from 100% organic cotton and offers a practical 25 L capacity with dimensions 52 x 12 x 40 cm. The one-size cut and wide straps make it comfortable for everyday use; it secures with a magnetic snap and includes an interior zip pocket in recycled metal for small items. The product is garment-dyed after assembly, so shades may vary slightly between pieces and the fabric may transfer colour onto light surfaces or clothing.

The corduroy gives a soft textured feel and a relaxed structure, with reinforced stitching at the handles for reliable wear. Available in several colours such as Washed Black, Washed Dark Camel and Washed Navy Blue, it suits retail, events and daily carry where a natural, eco-responsible look is desired.

This personalised tote bag can be customised from one piece using screen printing transfer, MSO transfer, DTF printing or flex. Recommended for companies, sports clubs, associations, events and private customers; our design studio can retouch or vectorise your logo.
