DESCRIPTION

This eco-friendly corduroy pouch is made from 100% organic cotton and is designed for everyday use or as a handy accessory pouch. Its rectangular shape (30 x 18 cm) and 5 L capacity make it suitable for cables, cosmetics or stationery. The item is garment-dyed, so shades may vary slightly between pieces and the fabric may transfer colour onto light surfaces or clothing — consider separate washing where needed.

Details focus on practicality: a tonal wrist strap in the main fabric, a recycled metal zip and a tonal organic cotton lining. Inside there is a patch pocket divided into two compartments to keep small items organised. The corduroy gives a structured look with a soft hand and a washed aesthetic.

These personalised pouch options are available from 1 piece and can be finished with screen print transfers, DTF printing, MSO transfers or flex. Ideal for businesses, sports clubs, associations, events and private customers — request a free quote within 24 hours on weekdays or use our graphic studio to vectorise your logo.
