DESCRIPTION

Eco-friendly women’s piqué polo with a simple, tailored look for everyday wear. The straight cut and short sleeves are paired with a classic polo collar and a 2-button placket; ribbed sleeve hems add subtle structure. Made from 100% organic cotton with an enzyme wash, the piqué fabric feels comfortable while offering a clean surface. Available in several colours and sizes XS to XXL, suitable for workwear, club use or events.

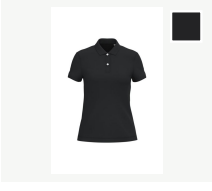

Practical details include side vents for freedom of movement and double topstitching at the hem for improved durability. Recycled-plastic buttons and a shoulder reinforcement in the main fabric enhance longevity. Note: the Ivory shade is very delicate — we recommend washing at 30°C with a mild detergent and following care instructions.

This personalised polo can be ordered from a single piece and is suitable for embroidery, screen printing transfer, MSO transfer, DTF printing and flex (heat transfer). Ideal for businesses, sports clubs, associations, schools and private customers; our graphic studio can vectorise or retouch your logo and we provide a free quote within 24 hours on weekdays.
