DESCRIPTION

This eco-friendly women's polo in terry fabric combines comfort with careful finishes: straight cut, V-neck polo collar without buttons in the main material and short sleeves. Made from combed organic cotton blended with post-consumer recycled polyester and enzyme-washed for a soft touch, it feels breathable and comfortable. It is available in several colours, for example Apricot, Ivory or Malachite Green, and sizes range from XS to XL. For the Ivory shade we recommend a gentle 30°C wash.

Practical details include shoulder reinforcement, a back demi-moon and double topstitching at sleeves and hem for improved durability. The straight silhouette makes it easy to style and to brand for corporate or casual use.

This personalised polo can be ordered from 1 piece for companies, sports clubs, associations or events. Possible techniques: screen printing (transfert sérigraphique), MSO transfer, DTF printing, flex (heat transfer vinyl) and embroidery. Our design studio can vectorise or retouch your logo; free quote within 24 hours on weekdays, collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
