DESCRIPTION

This eco-friendly terry T-shirt for men features a straight cut and a soft, plush handle made from 80% organic cotton and 20% post-consumer recycled polyester. Designed for everyday comfort, it has a 1x1 rib crew neck, a chevron neck tape and shoulder reinforcements. Available in several colours (including Almond Green, Ivory, Navy Blue) and sizes XS to 3XL, the Ivory shade requires gentle care; we recommend washing at 30°C with a mild detergent.

Practical details include a back half-moon, double-stitched sleeve and hem finishes and an enzyme wash for a uniform appearance. The straight fit and terry texture make it suitable for corporate wear, club kits or casual collections.

The T-shirt accepts a range of customisation techniques: DTF printing, transfer (screen transfer), Transfert MSO and flex. Perfect for companies, sports clubs, associations, schools and individuals looking for a personalised T-shirt, it can be personalised from one piece and our studio can retouch or vectorise your logo if required.
