DESCRIPTION

This round-neck oversize T-shirt for men features dropped shoulders for a relaxed, comfortable fit. Made from 100% organic combed cotton and enzyme-washed, it has a soft jersey knit, side seams and a 1x1 rib at the neckline with a tone-on-tone neck tape. Simple topstitching finishes the hem and sleeve edges. The garment is garment-dyed, which may cause slight colour variations and the potential to transfer colour onto light surfaces. Available in several colourways (for example Washed black, Washed Navy Blue) and sizes XS to XXL.

Practically, the roomy cut and dropped shoulders allow ease of movement while the enzyme wash gives a smooth, even surface. Shoulder reinforcements help maintain neckline shape and durability, and the label-free finish provides a clean base for decoration.

This personalised T-shirt can be customised from one piece using screen print transfers, Transfert MSO, DTF printing and flex. Suitable for companies, sports clubs, associations, schools and private customers. Our graphic studio can retouch or vectorise your logo before production.
