DESCRIPTION

Fitted women's ribbed tank top in a 2 x 1 knit, designed to sit close to the body. The fabric blend of 98% organic cotton and 2% elastane gives stretch and comfort; the material is combed and enzyme-washed for a smooth feel. The neckline and armholes are finished in main fabric bindings with double topstitching and a single-stitched hem at the bottom.

The tank top features clean, practical details for everyday wear: reinforced seams at the neckline and armholes, ribbed structure for shape retention, and easy care when laundered according to the garment instructions. Available in several colours — for example Black and Organic Khaki — and in sizes XS to XL.

This item can be personalised from one piece: we provide personalised tank top services using screen printing transfer, MSO transfer, DTF printing or flex (heat transfer). Suitable for companies, sports clubs, associations, schools, events and private customers who want an eco-responsible garment (organic cotton, GOTS) with no visible label.
