Available in several Dip Dye shades (e.g. Aquamarine, Petal Rose, Navy Blue) and sizes XXS to 3XL, it suits eco-conscious ranges and is cared for like a standard cotton garment.

This personalised T-shirt can be customised from one piece using transfer screen printing, MSO transfer, DTF printing or flex. Recommended for companies, sports clubs, associations, events and private customers; our studio can retouch or vectorise your logo before production.
