DESCRIPTION

Men's oversized crew-neck T-shirt with dropped shoulders, made from 100% combed organic cotton (180 g/m²) and enzyme-washed for immediate softness. The relaxed cut provides ease of movement and a contemporary drape; the 1x1 ribbed neckline and internal tone-on-tone neck tape add comfort for everyday wear. For the delicate Ivory shade we advise washing at 30°C with a mild detergent.

Side seams and shoulder reinforcement give the garment stable structure, while double topstitching on the sleeves and hem improves durability. Available in several colourways (for example White, Driftwood, Paprika) and sizes XS to XXL, it is suitable for regular use, events and teamwear thanks to its clean finish and sturdy construction.

This personalised Col rond can be personalised from a single piece, making it suitable for companies, sports clubs, associations, schools and private customers. Available decoration techniques: DTF printing, transfer, transfer MSO, flex. Our graphic studio can retouch or vectorise your logo before production. Collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
