DESCRIPTION

This men's zip hoodie features a straight cut and terry fabric made from organic cotton and post-consumer recycled polyester, designed for comfort and breathability. Produced in a short supply chain and enzyme washed to ensure a clean print surface, the hood is three-panelled and the garment comes in several colours such as Navy Blue and Organic Khaki, in sizes XS to 3XL.

Functional details include a nylon zip with a tone-on-tone recycled metal puller, two welt pockets at the front, 1x1 rib at cuffs and hem, shoulder reinforcement and a back half-moon. Topstitching and a chevron neck tape provide a neat finish and improved durability through washing.

This personalised zip hoodie can be customised from one piece and suits companies, sports clubs, associations, schools and private customers. We offer embroidery, screen printing transfers, DTF printing, and flex; our artwork studio can retouch or vectorise your logo for the best print or stitch result.
