DESCRIPTION

This unisex crew-neck sweatshirt features a straight cut and is made from 85% organic cotton and 15% post-consumer recycled polyester. The 3-ply LSF brushed fleece and combed cotton deliver stability and a smooth surface ideal for printing; the 280 g/m² weight provides a substantial yet comfortable feel. Finished with 1x1 rib at the neck, cuffs and hem, a jersey neck tape and a back half-moon for neat internal finishing. For the Ivory shade, follow gentle washing at 30°C as recommended.

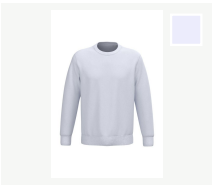

Visible details include a clean, boxy silhouette, double topstitching on sleeves and hem for durability, and a pared-back look suitable for both men and women. Available in several colours (for example Moon Grey Heather, Forest Green, Black) and sizes XXS to 4XL.

Order this personalised sweatshirt from a single piece on a wide range of textiles; customisation techniques available: embroidery, DTF printing, flex, screen printing transfers and screen printing/serigraphic transfers. Suitable for companies, sports clubs, associations, schools, events and private customers — our design studio can vectorise or retouch your logo before production.
