DESCRIPTION

This unisex hoodie combines a straight cut with a low-shrinkage 3-ply fleece made from 85% organic cotton and 15% post-consumer recycled polyester for comfortable wear and good wash stability. The hood is lined in the main fabric and features a round drawcord with metal eyelets and aglets; a kangaroo pocket and 1x1 ribbed cuffs and hem add everyday practicality. Available in several colours (for example Ivory, Black, Navy Blue) and sizes XXS to 4XL.

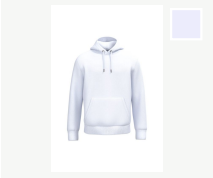

Practical details include double topstitching at the armholes, sleeve ends and hem, a back half-moon and a tone-on-tone neck tape for a clean finish. Note: the Ivory shade is delicate — follow the care advice and wash with a mild detergent at 30°C.

This hoodie can be personalised from one piece and suits companies, sports clubs, associations, schools and private customers. Customisation options include screen printing transfers, transfer, DTF printing, flex and embroidery. Request a free quote; personalised hoodie for promotional items, events or teamwear.
