DESCRIPTION

Unisex, this oversized eco hoodie in 100% organic cotton features dropped shoulders and a brushed inner fleece for comfortable everyday wear. The hood is lined in the same fabric and the side pockets are kept minimal for a clean silhouette. 2x1 ribbed cuffs and hem and a chevron neck tape inside complete the neat finishes. Available in several colours including Washed black and Washed Navy Blue, it works well as a relaxed layer or casual team piece.

The garment is garment-dyed, giving a washed effect that may cause slight colour variation between items and some risk of colour transfer onto light surfaces; wash separately before first use if needed. The oversized cut and lined hood make it practical for events, clubs and corporate casual wear.

This personalised hoodie can be ordered from one piece and is suitable for companies, associations, sports clubs and private customers. Possible customisation techniques: DTF printing, screen printing transfers, DTF, flex, transfer and embroidery. Our studio can retouch or vectorise your logo prior to printing.
