DESCRIPTION

This unisex oversized hoodie features dropped shoulders for a relaxed fit and easy layering. Made from organic cotton and post-consumer recycled polyester with low-shrinkage brushed fleece, it delivers a substantial, structured feel thanks to its heavyweight construction. Available in several colours (including Black, Organic Khaki, Wet Sand) and sizes XS to XXL — wash at 30°C with a gentle detergent, taking care with the Ivory shade.

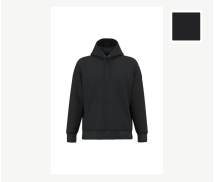

Details include a three-panel hood lined in the main fabric, a flat tone-on-tone drawcord with recycled metal eyelets and stop-stitching, plus a minimalist kangaroo pocket without visible topstitching. 2x2 ribbed cuffs and hem maintain the garment’s shape, while an inner neck tape and back demi-lune improve comfort and longevity.

Perfect for branding, this garment can be personalised as a personalised hoodie using screen print transfers, MSO transfer, DTF printing, flex vinyl or embroidery. Ideal for companies, sports clubs, associations, schools, events and private customers; customisation is possible from one piece. Our in-house design studio can vectorise or refine your logo before production.
