DESCRIPTION

This personalised dungaree dress for women is a short, straight-cut design made from organic twill cotton. It features adjustable straps, a chest patch pocket and practical side pockets, plus a lower back yoke for improved fit. Buttons and hardware are made from recycled metal and the garment is pre-washed, which can cause slight colour variation. Available in 1 colour (Ivory) and sizes 34 FR to 42 FR.

Details include a double-stitched hem and hip openings secured by two buttons on each side to ease dressing. Belt loops allow adding a belt to define the waist. Care guidance: wash gently at 30°C, the Ivory shade is particularly delicate.

The dress can be personalised from one piece, making it suitable for companies, sports clubs, associations and private customers. Possible techniques: screen print transfer, MSO transfer, DTF printing, flex (heat transfer). Our studio can retouch or vectorise your logo and we personalise on a wide range of textiles.
