DESCRIPTION

Men’s linen shirt with a tailored cut for a smart-casual appearance. The 100% linen fabric offers lightness and thermoregulatory properties while maintaining a clean drape thanks to the tailored fit. Features include a classic collar with button placket and mother-of-pearl effect buttons, a left chest pocket and a back yoke with pleats for extra ease. Offered in several colours (for example Almond Green, Linen, Navy Blue) and sizes XS to 3XL.

Practical details such as a pointed sleeve placket and contrast tape inside the collar enhance the shirt’s finish and wearability. Care for the linen according to standard linen instructions to keep the garment in good condition.

This personalised shirt can be ordered from one piece and customised using DTF printing, transfer (screen transfer), DTF printing, flex (heat transfer) and embroidery. Recommended for companies, sports clubs, associations, events and private customers seeking a refined, wearable shirt.

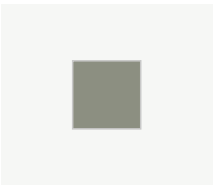

KEY FEATURES

- Linen offers a sustainable, thermoregulating and lightweight fabric.
