## DESCRIPTION

Women’s shirt with a loose, slightly flared cut, made from a responsible blend of 60% lyocell TENCEL™ and 40% organic cotton. It features long sleeves with double pleats, buttoned cuffs with slits, a back yoke and two back pleats for ease of movement. Enzyme-washed for a soft hand and fitted with tone-on-tone recycled plastic buttons. Available in several colours and sizes XS to XL.

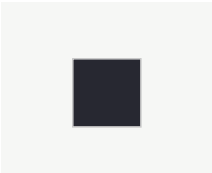

The relaxed fit delivers a casual yet structured look thanks to the back yoke and pleats. Practical finishing touches (recycled buttons, buttoned cuffs) make it suitable for regular wear and straightforward laundering as specified by the supplier. The fabric offers breathability and durability for frequent use.

This shirt can be personalised from one piece and suits companies, sports clubs, associations, events and private customers. Marking options include DTF printing, screen printing, transfer, flex and embroidery. Our studio can retouch or vectorise your logo; free quote within 24 hours on weekdays and production under our standard conditions.
