DESCRIPTION

Men's shirt-jacket in brushed loopback fleece with a standard fit, made from 100% organic cotton for a soft hand and structured feel. The garment uses a three-thread brushed inner (300 g/m²) delivering warmth without bulk. Features include a central button placket, classic collar with stand, buttoned cuffs and two patch pockets with flaps. The piece is garment-dyed after construction for a washed effect and comes in several colourways (Washed Black, Washed Navy Blue, Washed Organic Khaki). Available S to 3XL.

Practical details: contrast horn-effect buttons in recycled plastic, double topstitched hem and a back demi-lune to improve fit. Flapped pockets secure small items with a button; note the garment may transfer colour onto lighter surfaces and should be washed with care.

This personalised shirt can be customised from one piece and suits companies, sports clubs, associations and individuals seeking an eco-conscious option. Personalisation techniques offered: Screen printing (Transfert Sérigraphique), Transfert MSO, DTF printing, flex and embroidery. Our design studio can retouch or vectorise your logo for production.
