DESCRIPTION

Quilted sleeveless bodywarmer for men with a standard cut and a stand-up collar featuring a chin guard. The quilted, down-effect padding and injected fill provide lightweight insulation while the recycled polyester shell is water-repellent. Available in several colours including Black, Driftwood and Navy Blue, and sized S to 4XL.

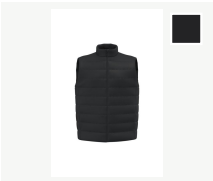

The piece shows a central recycled plastic zip, side panels for improved fit and two concealed zippered side pockets. Three internal pockets—one with a hook-and-loop flap—offer practical storage. An adjustable hem cord and a hanging loop add functionality. A discreet chest customisation zip is included for logo placement.

This personalised bodywarmer can be ordered from one piece. Customisation techniques: screen printing transfer, MSO transfer, DTF printing, flex and embroidery. Recommended for companies, sports clubs, associations, events and private customers for chest logos, subtle branded outerwear or functional internal marking.
