DESCRIPTION

Unisex sherpa fleece jacket offering warmth with a lightweight, soft handfeel. It has a straight cut, stand-up collar and a central recycled-plastic zip, plus a zipped chest pocket; contrasting ripstop panels reinforce high-wear areas. Invisible elastic at cuffs and hem improves fit, the collar interior is sherpa-lined and there is a hanging loop at the centre back. Available in several colours such as Black, Wet Sand / Driftwood and Forest Khaki / Dark Forest Khaki, and in sizes XXS to 3XL.

Functional details include a metal zip slider with a main-fabric pull, an internal finishing placket and piped welt pockets for everyday use. Made from 100% post-consumer recycled polyester with double-face sherpa and tone-on-tone fleece inside, it is designed for easy care and regular wear.

This jacket can be customised as a personalised fleece by embroidery. Suitable for companies, sports clubs, associations, schools, events and individuals; our studio can retouch or vectorise your logo for embroidery. It can be ordered from one piece on a large range of textile.
