DESCRIPTION

This men’s jacket in hemp blended with organic cotton features a standard cut reminiscent of a classic trucker style, designed for everyday comfort. The twill fabric, enzyme-washed, gives a structured drape and a naturally textured finish characteristic of the Raw Natural shade. It includes a shirt collar, a central metal-button fastening made from recycled metal and long sleeves with buttoned cuffs, offering a clean, professional look. Available in one colour (Raw Natural) and sizes S to 3XL, it suits corporate wear, events or uniforms.

Functional details include two chest flap pockets with buttons, two piped front pockets and front and back panels that add structure. A back tightening tab with buttons lets you refine the hem fit. Quality finishes and a durable fabric make maintenance straightforward—follow the supplier’s care advice to keep the natural appearance intact.
