DESCRIPTION

Unisex worker shirt in organic cotton with a standard cut, designed for versatile wear over a T-shirt or shirt. The twill fabric has a soft, peach-skin feel for comfort and durability; features include a button placket with recycled plastic buttons in a horn effect, a left chest patch pocket, two lower patch pockets, a collar with a decorative stand and buttoned cuffs with a slit. The upper interior shows a loose lining and a hanging loop. Offered in several colour options, sizes XS to 3XL, made from GOTS certified organic cotton. Garment washed after assembly may show slight colour variation and can potentially transfer dye onto light surfaces.

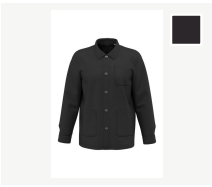

Practical details (back yoke, single-stitched hem) enhance everyday wear; the straight cut is easy to layer and gives a contemporary, relaxed look. The washed twill offers a subtly lived-in appearance and a pleasant handfeel suitable for professional and casual uses.

This personalised shirt can be customised from one piece: DTF printing, transfer, Transfer MSO, flex and embroidery are available. Ideal for companies, sports clubs, associations, schools, youth movements and private customers. Our design studio can retouch or vectorise your logo.
