DESCRIPTION

Unisex windbreaker with a quarter zip and three-panel hood, offering lightweight protection from wind and light rain while remaining breathable. It has a standard cut, is made from recycled polyester and is available in several colours (Black, Navy Blue, Organic Khaki). The garment can be personalised from one piece and is designed for everyday outdoor use.

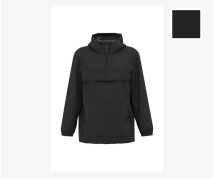

Practical details include a horizontal chest pocket with flap, two side welt pockets with reverse zips and two ventilation eyelets beneath the chest flap to aid airflow. Elasticated cuffs, a simple stitched hem and an internal membrane with welded seams enhance water resistance and ensure the jacket performs well in changing weather.

This personalised windbreaker suits companies, sports clubs, associations, events and private customers. We offer branding by Screen printing transfer, MSO transfer, DTF printing and Flex. Our design studio can retouch or vectorise your logo prior to production.
