DESCRIPTION

Men's swim shorts designed for swimming and summer activities, made from ripstop fabric with quick-dry properties. The short, straight cut features an elastic waistband with a cotton drawcord and a mesh inner lining for comfort. Available from XS to XXL and in several colours such as Brook Green, Navy Blue or Paprika, the recycled polyamide fabric makes care and drying straightforward after use.

The design includes two side pockets with topstitching, a patch pocket at the back with a stitched opening and a metal eyelet, plus double topstitch reinforcement at the seams (crotch, side seams). The hem is finished with a single topstitch; the waistband interior is contrast-coloured and a rear reinforcement keeps the cord secure.

These personalised shorts can be customised from one piece on a wide range of textile. Available marking techniques include embroidery, DTF printing, flex, screen printing and transfer prints, as well as embroidered badges. Suitable for companies, sports clubs, associations, events and private customers; we offer a graphic studio, free quotes within 24 hours on weekdays, collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
