DESCRIPTION

Men's trousers in a linen and organic cotton blend with a relaxed cut, designed for warm-weather wear and organisations seeking a natural look. The lightweight fabric offers comfort and breathability; the waistband features a rear half-elastic and a flat drawcord for an easy fit. The fly has a metal zip and recycled plastic buttons, while the inner waistband shows a contrasting thread finish.

The design includes practical side pockets and discreet details: metal eyelets and recycled metal cord ends, a recycled metal zip and a straight leg that falls neatly to the ankle. Available in several colours, for example Navy Blue, Wet Sand and White, and in sizes XS to 3XL.

These trousers can be personalised from a single piece and suit companies, sports clubs, associations and private customers looking for personalised trousers. Customisation techniques available: embroidery, DTF printing, flex, screen printing, transfer prints, embroidered badges and pad printing; our studio can retouch or vectorise your logo.
