DESCRIPTION

This unisex pair of trousers features a relaxed cut in brushed fleece for everyday comfort. Made from organic cotton and post-consumer recycled polyester, it has a soft inner face and low-shrinkage finish. The elasticated waistband includes a flat drawcord with rib stitch detailing and embroidered eyelets; the legs fall straight with a single topstitched hem. Available in several colours (Black, Ivory, Organic Khaki) and sizes XS to XXL, delicate shades such as Ivory should be washed gently at 30°C.

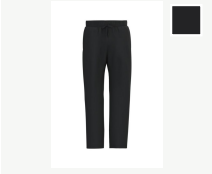

Practical side pockets and a right-hand patch pocket at the back make it useful for active wear. Discreet seams and a smooth fleece surface provide an excellent base for marking without affecting the drape.

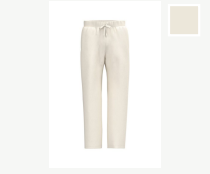

This personalised trousers option can be ordered from one piece and suits companies, sports clubs, associations, events and private customers. Personalisation techniques available include embroidery, DTF printing, flex, screen printing, screen transfers, embroidered patches and pad printing, and our studio can retouch or vectorise your logo.
