DESCRIPTION

Men's trousers with a relaxed, straight cut made from twill in organic cotton with 2% elastane for added comfort. The waist features belt loops and a zip fly with button; front and back patch pockets and double topstitching on the hem and seams give practical reinforcement. Garment-dyed for a washed, faded look that may vary slightly between pieces and will subtly lighten with repeated washing.

In use, the trousers benefit from reinforced seams at the crotch and front for improved durability. Note that the fabric can bleed onto light-coloured surfaces or clothing — we recommend an initial separate wash and appropriate care to maintain the finish.

These personalised trousers can be customised from one piece and are suitable for companies, sports clubs, associations, events and private customers. Customisation options include embroidery, DTF printing, flex, screen printing and transfer (single-colour and multicolour), as well as embroidered patches. Available in several colours such as Washed Coal Grey, Washed Dark Camel and Washed Organic Khaki, and in sizes 36 FR to 48 FR.
