DESCRIPTION

Women’s cardigan with a straight cut in a 50/50 blend of organic cotton and Lyocell TENCEL™ for a soft, breathable feel. The fine gauge knit and dropped shoulders create a relaxed fit, complemented by a V-neck and button-through front. 1x1 ribbing at the neckline, front placket and cuffs provides clean finishing touches. Available in several colours, for example Black and Navy Blue, and in sizes XS to XXL.

Notable practical details include contrast recycled plastic buttons and ribbed hems to maintain shape and limit curling. The design works well as a lightweight layer or standalone piece and benefits from appropriate washing for mixed fibres to retain softness and fit.

This personalised cardigan can be customised from one piece and suits companies, sports clubs, associations, events and private customers. Customisation techniques available: Transfer Screen Printing, MSO Transfer, DTF printing, Flex and Embroidery. YourVisualHere provides a free quote within 24 hours on weekdays, a graphic studio to vectorise or adapt your logo, standard production with an express option for stocked items, collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
