DESCRIPTION

Women's sports bra designed for multisport use, made in a double-knit with ergonomic knitting for reliable support and next-to-skin comfort. The seamless construction combined with 11% elastane delivers stretch for movement; adjustable straps and removable preformed cups allow tailored support. Available in Storm Grey Melange in sizes S/M to L/XL.

The visible knit structure across the bust incorporates support bands and ventilation zones that improve fit and comfort during activity. The longer longline cut provides extra underbust support and lateral stability without visible seams.

This item can be personalised: personalised sports bra using screen printing transfers, MSO transfers, DTF printing, flex (heat transfer vinyl) or embroidery. Suitable for companies, sports clubs, associations, events and private customers who want a technical garment personalised from one piece.
