DESCRIPTION

Unisex reversible sports chasuble in a breathable mesh polyester, designed for multisport use. The two sewn layers provide structure while maintaining ventilation; the sleeveless cut and round neckline allow full freedom of movement for training sessions and matches. Available in several colourways and in sizes S/M to XXL/3XL, it slips easily over a tee or jersey.

The polyester mesh shows a perceptible open-weave texture with clean finishes at the armholes and neck and a straight, relaxed fit that sits over the hips. The reversible construction makes team changes quick and practical on the pitch, while the stitched layers keep the garment stable during repeated use.

This personalised chasuble can be customised from one piece by DTF printing, screen printing, transfer MSO or flex. Suitable for companies, sports clubs, associations, schools and private customers; our studio can vectorise or retouch your logo. Free quote within 24 h on weekdays; collect at our Evere workshop or delivery in Belgium, France and Luxembourg.
