DESCRIPTION

Unisex chasuble designed for training and practice sessions, made from 100% polyester with two stitched layers of 160 g/m² for a lightweight yet stable feel. The sleeveless, loose cut and round neckline allow full range of movement while offering good coverage; the double-layer construction improves opacity and durability without compromising comfort. Offered in several colourways such as Lime/Spicy Orange, Sporty Navy/White and Sporty Red/Sporty Yellow.

Functional details matter: contrast elasticated binding at the neck, armholes and hem is reinforced to withstand frequent pulling during team drills. The visible stitching and straight cut help the bib retain its shape through repeated use — characteristics also evident from the product photo.

Order this personalised chasuble for companies, sports clubs, schools, associations or events. We apply customisation with screen print transfer, MSO transfer, DTF printing and flex (heat transfer vinyl). Available from one piece, it suits organisations and individuals seeking a robust, easily identifiable training bib.
