DESCRIPTION

Reversible children's bib in 100% polyester, designed for sports use. It features two stitched layers of 160 g/m² for good opacity and a lightweight feel; elasticated, reinforced binding at the neck, armholes and hem improves resistance to tugging. Available in several colours (e.g. Sporty Royal Blue / Green, Sporty Navy / White, Sporty Red / Sporty Yellow) and in sizes 6/10 yrs and 10/14 yrs, it slips easily over sportswear and is simple to wash.

The sleeveless, roomy cut allows full freedom of movement during training and matches. Being reversible makes team changes quick and the contrasting bindings add durability for frequent use and handling.

This personalised chasuble can be marked by screen printing transfer, MSO transfer, DTF printing or flex heat transfer. Suitable for clubs, schools, associations, events and private customers who want to customise training equipment. Customisation available from one piece.
