DESCRIPTION

Children's mesh chasuble designed for multisport use. It features a loose, sleeveless cut in breathable polyester that promotes movement and airflow. The garment has a double-needle hem for added durability and is offered in several colours in sizes 6/10 years and 10/14 years. Care is straightforward—wash at moderate temperature and air dry to preserve the mesh.

Practical details include a round neckline and wide arm openings for quick changes during training and matches. The open-knit fabric is lightweight and non-clinging during activity, making it suitable for clubs, schools and recreational sessions.

This personalised chasuble can be customised from a single piece using screen printing transfer, MSO transfer, DTF printing or flex. Ideal for sports clubs, associations, schools and events; our studio can retouch or vectorise logos and we provide a free quote within 24 hours on weekdays.
