DESCRIPTION

Unisex terry wristband designed for multisport use. One size measuring approximately 11 cm high by 8 cm wide, made mainly from cotton with a small elastane content for stretch and a secure fit. Comfortable and ergonomic, it absorbs perspiration while remaining flexible and easy to put on.

The stretch terry construction ensures a snug fit around the wrist without squeezing, suitable for repeated movement and regular use. Simple, durable finishes help the wristband keep its shape during training and events.

Order a personalised wristband with embroidery (embroidery) to add a discreet, long-lasting logo. Suitable for sports clubs, associations, companies for events or merchandising, and private individuals. Customisation available from one piece; our studio can vectorise your logo before production.
