## DESCRIPTION

Unisex ribbed terry wristband designed to support and protect the wrist during sport. The ergonomic knit in polyester, elastodiene and elastane provides stretch and secure fit; the tubular one-size design adapts to most wrist sizes and ensures everyday comfort.

Supplied in individual retail-ready packaging, the wristband comes in several colours — for example Black, Navy and Sporty Khaki — and features a dedicated area for marking a small logo without affecting fit or stretch.

This personalised wristband can be customised from one piece across a wide range of textile items and is available with embroidery, DTF printing, flex, screen printing and transfer techniques; embroidered badges, pad printing and digital printing on items are also possible for companies, clubs, associations, events and individuals. We offer a graphic studio, free quotes within 24 hours on weekdays — collection in Evere or delivery in Belgium, France and Luxembourg.
