DESCRIPTION

Designed for active men, this Proact® pantacourt is made from 100% polyester microfibre with a peach-skin feel for a soft hand and lightweight drape. It features a relaxed three-quarter cut with an elasticated waist, button and zip fastening for secure everyday wear. Available in several colours such as Black and Sporty Navy, sizes run from S to 3XL.

The emphasis here is on utility: two front slash pockets, two side cargo pockets with flaps, and two rear pockets secured with hook-and-loop fasteners. Leg hems are adjustable with a cord and stopper so you can tailor the fit to the activity. The microfibre fabric is easy to care for and retains a neat appearance after washing.

This pantacourt is available for customisation from one piece and suits companies, sports clubs, associations and private customers. Possible techniques include personalised pantacourt by embroidery, DTF printing, flex, screen printing and transfer. Our graphic studio can vectorise or refine your logo for production.

KEY FEATURES

- Peach-skin feel.
