DESCRIPTION

Men's performance trousers with a modern, fitted cut designed for everyday comfort and movement. Constructed mainly from polyester with viscose and elastane, the fabric provides a soft, slightly stretchy handfeel. An elastic waistband features a two-colour drawcord with plastic tips for secure adjustment; knee panels and a tapered leg with an elastic contrast cuff ensure a streamlined fit. Available in several colours, for example Ash Heather, Black and Sporty Khaki, in sizes XS to 3XL.

The garment includes two front pockets lined in jersey and a rear zipped pocket with a thermo-sealed finish for secure storage. Practical details such as the knee seams and reinforced cuffs improve fit and durability without adding bulk. Care instructions should follow the textile composition provided.

This personalised Pantalon/Pantacourt can be customised from a single piece using embroidery, DTF printing, flex, screen printing or transfer (one-colour and multicolour). Embroidered patches are also available; our graphic studio can vectorise or retouch your logo. Suitable for companies, sports clubs, associations, events and private customers.
