## DESCRIPTION

This men's bermuda/short features a straight cut and lightweight 100% polyester fabric (140 g/m²), suited to sports activities. It has an elasticated waistband with drawcord for secure fit, covered seam detailing on the panels and a double-needle hem for durability. The material aids moisture-wicking and is low-maintenance, offered in several colour options and sizes from XS to 3XL.

Designed for freedom of movement, the short has a clean design and a length above the knee that works well for training, matches or running. The minimalist construction makes washing and drying straightforward while reinforced stitching improves longevity under regular use.

These personalised shorts can be customised from a single piece using embroidery, DTF printing, flex, screen printing, transfer (single-colour and multicolour) or embroidered badges. Suitable for companies, sports clubs, associations, schools and individuals seeking club, training or event shorts.
