DESCRIPTION

Children’s legging with a close-fitting cut, designed for active everyday wear. Offered in several colours and sizes from 4/6 to 10/12 years, the jersey fabric blends cotton and elastane (with viscose in the heather option) to provide stretch and softness. A comfortable elasticated waist ensures secure wear without restricting movement, and care is straightforward with normal machine washing guidelines.

The design is clean and functional, with discreet side seams and finished ankle hems. The stretch fabric moves with the child and retains its shape through regular use, making it suitable for school, sports or leisure activities where freedom of movement and comfort matter.

This personalised legging can be ordered from a single piece. Customisation techniques available: embroidery, DTF printing, flex, screen printing, transfers (single-colour and multicolour) and embroidered patches. Appropriate for companies, sports clubs, associations, schools, youth movements and private customers.
