DESCRIPTION

Women’s eco-friendly leggings designed for sport, with a skinny cut and high waist that combine support and freedom of movement. The recycled polyester and elastane fabric has a soft handfeel and a tone-on-tone printed pattern giving subtle highlights. A wide integrated waistband enhances comfort and hides a small internal pocket at the front for a key or other small item. Brand label is removable to simplify customisation.

Functional details include flatlock stitching at the waistband, crotch and leg hems to reduce chafing. The leggings come in several colourways, for example Dark Khaki Leopard, Navy Leopard or Wise Grey Zebra, and are available from XXS to XXL. The stretchy fabric keeps its shape for regular training and wear.

Customise these personalised leggings from 1 piece using DTF printing, flex, screen printing, transfers or embroidery (DTF printing, flex, screen printing, transfer, embroidery). Our design studio can retouch or vectorise your logo. Free quote within 24 hours on weekdays; standard production 10 working days, or express 24 hours for in-stock items.
