DESCRIPTION

Women's sports shorts in jersey knit, suitable for training and casual activewear. Short cut with an elasticated waistband and a contrasting drawcord for adjustable, secure fit during activity. The fabric is a polyester/cotton blend (65% polyester, 35% cotton) combining softness and flexibility, easy to care for and practical for frequent use. Available in several colourways including Black / Grey Heather, Grey Heather / Fluo Pink and Navy / White, in sizes XS to XXL.

The shorts feature contrasting piping on the hem and a flat waist construction that keeps its shape without restricting movement. The jersey knit allows good freedom of movement, making it appropriate for sports clubs, training sessions and outdoor activities.

These personalised shorts can be customised from 1 piece by embroidery, DTF printing, flex, screen printing, transfers (single-colour and multicolour) or embroidered patches. Suitable for companies, sports clubs, associations, events and private customers; our studio can retouch or vectorise your logo.
