DESCRIPTION

Women's game shorts in lightweight polyester, designed for mobility and active use. They feature an elasticated waistband with drawcord for an adjustable fit, coverstitch details on the panels and a double-needle hem for improved durability. Available in several colours such as Black, Sporty Navy and Sporty Red, and in sizes XS to XL.

The simple cut prioritises comfort and freedom of movement: soft waistband, minimal bulk and reinforced hem. Easy to care for due to the polyester construction. This women's cut is suitable for training sessions, club use and sporting events.

This personalised Bermuda/Short can be ordered from one piece and is adapted for businesses, sports clubs, associations, schools and private customers. Customisation techniques available include embroidery, DTF printing, flex, screen printing, transfer prints (single-colour and multicolour), embroidered patches and other finishing methods. Our design studio can retouch or vectorise your logo for printing.
